About Event:

Join us for the second quarterly webinar of 2022 with the U. S. Army Corps of Engineers (USACE), Honolulu District and Hawaii PTAC.

In this webinar, the USACE Honolulu District will provide industry-specific information on active USACE projects in the Honolulu Districts Area of Responsibility and updated forecasts for their projected projects, emphasizing opportunities for the small business community within Hawaii.

Following that, the USACE Honolulu District and Hawaii PTAC will present on some contracting tips. This quarter the USACE will go into detail on the Small Business Participation Document and Subcontracting Plan when responding to RFP's and getting awards. This will then be followed by Q&A.

About Guest Speaker: Monique Holmes

Monique is a Level III DAWIA Certified Acquisition professional. She holds two graduate degrees, one in Government Public Administration from Savannah State University and the other in Management and Leadership from Webster University. She earned her undergraduate degree in Pre-Law at Brewton Parker College. She began her career as a Pricing Analyst and Cost Estimator with L-3 Communications CS-West Division.

She began her government career in 2012 with the Army Contracting Command in Aberdeen Proving Ground (ACC-APG) as a Cost and Price Analyst. In 2015, she joined the Army Contracting Command Regional Contracting Office – Hawaii as a Procurement Analyst and Alternate Small Business Professional. Monique also owned her own small business reconciling disputed invoices and

government short pay invoices. She brings a combined 30 years of private and public sector experience to her current position.

She was welcomed to the United States Army Corps of Engineers (USACE) Honolulu District as the Deputy of the Small Business Programs on February 18, 2020. Her responsibilities include assisting with the overall implementation of the small business program, small business acquisition policy, strategic outreach initiatives, and guiding small businesses through the process of contracting with the Honolulu District. Monique's favorite part of working with the small business community is the outreach.

"I can't imagine doing anything else, anyplace else. I love knowing that we at the USACE Honolulu District have a hand in making a difference in people's lives and making a positive impact in the local community."

Monique M. Holmes

Deputy for Small Business Programs
